

LICENSING REFORM TASK FORCE

Construction Subcommittee Work Plan

March 27, 2026

Construction Subcommittee Work Plan

This work plan details the Construction Subcommittee's (Committee) priorities and topics for review on behalf of the Licensing Reform Task Force. Included in the document are:

- Committee decisions made at the organizational meeting for topics, executive order initiatives, and meeting schedule
- Schedule of planned activities for the committee

Committee Member Topics

At the organizational meeting, the Committee discussed several topics, focusing on:

- Apprenticeships & Workforce Availability
 - improving access
 - possibility of licensure for additional apprenticed occupations
 - improving administrative tasks to increase efficiency
- Enforcement
 - opportunities to create efficiencies
- Review of Independent Contractor and Construction Contractor Programs
 - review for improvements
 - review exemptions for appropriateness
- Licensing Qualifications
 - are licensing requirements justified, or are changes needed

Executive Order Initiatives

At the organizational meeting, the Committee reviewed the specific initiatives in the Executive Order and identified the specific initiatives the Committee will focus on when developing recommendations:

- Whether the unregulated practice of an occupation or profession creates a direct, immediate, or foreseeable hazard to the public, health, safety, or welfare
- If there is a public benefit provided by licensure
- If licensure significantly increases the cost of service to the public
- If qualifications for licensure are justified
- Whether existing licensing requirements contribute to workforce shortages or access constraints in rural frontier communities
- Whether licensure portability, reciprocity, or endorsement pathways could expand access to qualified professionals, particularly in rural and underserved areas
- If public support exists for continued licensure for each profession

Schedule of Planned Activities

The following timeline provides an outline of how the Committee will accomplish the items in its work plan. The timeline may be updated or revised to address scheduling, emerging issues, or to reallocate time to other topics.
